Our jobs deal

Built so they run it themselves: they pitch the jobs, they count the stars, and the deal is signed by both of you.

FOR THE GROWN UP · READ THIS FIRST

Two columns that never mix

At eleven to fifteen the screen argument stops being about bedtime stories and starts being about fairness. This board makes the rules visible, so the deal does the arguing and you get to be on their side of it. There are two columns, and the line between them matters most.

1. **Family jobs: no stars, ever**
   Emptying the dishwasher, their own washing, laying the table. Everyone in the house does these, grown ups included. They get ticked, never paid, because contribution is belonging, not payment.

2. **Earning jobs: stars for screen time**
   Bigger or extra jobs: washing the car, a full clean of the bathroom, helping a younger sibling with reading. Each has a star value you agree. One star is five minutes, or ten or fifteen if you choose.

3. **A weekly most**
   Guided Childhood's guide for a healthy day is about an hour and a half of screen time at 11 to 13 and two hours at 13 to 15. At five minutes a star that is at most 126 stars a week for 11 to 13 and 168 for 13 to 15. The week starts on Monday.

4. **Protected time: no star buys it**
   The hour before bed, mealtimes and school hours. If they want a screen inside one, it comes to you as an ask, and it is your call every time. It is never for sale.

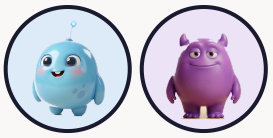

5. **They pitch the jobs**
   The pitch slips let them propose a new earning job, or swap one they are tired of. You set the stars when you say yes.

The aim is a board they stop needing. You run it, then you run it together, then they run it and you check in.

THE GUIDED CHILDHOOD PASSPORT

Your Passport stickers

The Jobs Board belongs on the Orbit page (ages 11 to 12) or the Nova page (ages 13 to 15), under the doing, in the Guided Childhood Passport. When your family has used the board, cut out the sticker and stick it on that page. The big one fits the stage page and the small one fits the fold out passport.

PRINT THIS PAGE ON STICKER PAPER, OR ON PLAIN PAPER WITH A GLUE STICK

No Passport yet? Look for the Guided Childhood Passport in the same Etsy shop: five stage pages for ages 4 to 16, each one stamped when the talk, the doing and the check are done.

A FREE GIFT FOR YOUR FAMILY

As a thank you, the full Guided Childhood Starter Pack is yours free: the star chart, the jobs that earn the stars, and a whole booklet of things to do away from a screen. Pop your email in at the address below and it is yours.

Made by Justin at Guided Childhood, a dad who got tired of the screen time fight. If the board took some heat out of the week, a kind review on Etsy helps another family find it.
