GUIDED CHILDHOOD

Thank you

These cards come from The Planet Day Flip Chart, in the same Etsy shop. The whole flip chart adds 60 more cards for jobs, screen time and family time, and the chart your child sticks them on and flips through the day.

A FREE GIFT FOR YOUR FAMILY

As a thank you, the full Guided Childhood Starter Pack is yours free: the star chart, the jobs that earn the stars, and a whole booklet of things to do away from a screen. Pop your email in at the address below and it is yours.

guidedchildhood.com/etsy-bonus

Made by Justin at Guided Childhood, a dad who got tired of the screen time fight. If these cards make a morning run a little smoother, a kind review on Etsy helps another family find it.
