OUR CHARGING STATION

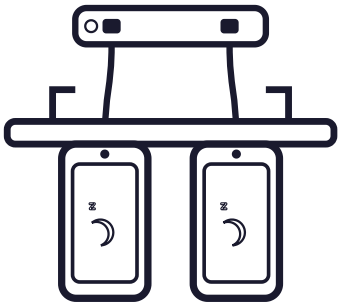

Devices sleep here

Goodnight phones. Goodnight tablets.
See you after breakfast.

Everyone docks by _____ , grown ups too.

THE FAMILY RULE

The bedroom is for sleep. Goodnight, phones.

FOLD HERE · THIS SIDE FACES THE OTHER WAY

IN OUR HOUSE

Phones charge in the kitchen, not the bedroom.

Print on card. Cut round the dashed edge, fold on the middle line, and stand it up like a tent. A little tape inside the base stops it sliding.

GUIDED CHILDHOOD

Thank you

These signs come from Where Phones Sleep, in the same Etsy shop. The whole pack adds the bedtime charging line for the fridge, charging spot labels, tonight's screen plan, phones in the basket for mealtimes and the family tech rules.

A FREE GIFT FOR YOUR FAMILY

As a thank you, the full Guided Childhood Starter Pack is yours free: the star chart, the jobs that earn the stars, and a whole booklet of things to do away from a screen. Pop your email in at the address below and it is yours.

Made by Justin at Guided Childhood, a dad who got tired of the screen time fight. If the shelf in your kitchen fills up at bedtime, a kind review on Etsy helps another family find it.
