How do you feel right now?

Point to a face, or pick up the card that matches. Naming nothing is fine too. Sometimes holding the card is the whole answer.

Pebble says: every face on this page is a friend. There are no bad feelings, only big ones and small ones. We help the big ones get smaller.

My calm choices

Pick a card. Try it. If it does not help, pick another. There is no wrong choice, only the next thing to try.

Squeeze a cushion tight

Have a drink of water

Count 5 things you can see

Do a big stretch

Ask for a hug

Look at a book

Draw the feeling

Squish some playdough

Listen for 3 sounds

Hold something soft

Rock gently, side to side

Thank you

These cards come from The Calm Down Corner Kit, in the same Etsy shop. The whole kit adds the calm corner sign, the star breathing poster, a page for after the storm and the words for a grown up to say.

A FREE GIFT FOR YOUR FAMILY

As a thank you, the full Guided Childhood Starter Pack is yours free: the star chart, the jobs that earn the stars, and a whole booklet of things to do away from a screen. Pop your email in at the address below and it is yours.

Made by Justin at Guided Childhood, a dad who got tired of the screen time fight. If these cards help a big feeling get a little smaller, a kind review on Etsy helps another family find it.
