What Would You Do?

Table Talk Cards

100 conversation cards for tea time, the car and the moments when nobody is talking.

40 talk at tea | **34 online situations** | **26 what would DiGi say?**

The online cards come from the real choice questions in Guided Childhood's lessons: group chats, a game asking to chat, a photo request, a pop up with a timer.

FOR THE GROWN UP · READ THIS FIRST

Ten minutes, then stop

These cards are questions for your child, not a lesson for them. The aim is one good conversation, and the best ones are short. Pick a card or two at tea, or in the car, and stop while it is still fun. Ten minutes is plenty.

Talk at tea · 40 cards

Everyday questions to get everyone talking. Everybody answers, the person who read it goes last, and grown ups answer too.

Online · 34 cards

Real situations: a group chat that turns unkind, a game that asks for your school, a pop up with a timer. Talk it through first. Then turn the card round: the foot has the strong move from the lesson it comes from.

What would DiGi say? · 26 cards

Something a child might ask: can I have a phone, can I stay up, can I post this. Everyone guesses what DiGi would say. DiGi never says yes or no. It says where you are, the next step, and the words. Turn the card round to check.

THE ONE RULE AT THE TABLE

Nobody gets in trouble for an answer. If an online card brings up something real, thank them for telling you, and come back to it later, just the two of you.

Printing. Card stock works best. Cut on the dashed lines. Want backs? Print page 28 on the reverse of each card sheet, either way up. Punch the small circle in the corner and the cards go on a ring, one suit per ring.

Keep the deck by the table. The cards work best when they turn up on an ordinary Tuesday.

ONLINE 41

Unkind posts about someone in your class are stacking up in a group chat. What would you do?

TURN IT ROUND · A STRONG MOVE

Do not pile on, save the evidence, and tell someone who can help.

ONLINE 42

The group chat turns on your friend. Leaving feels dramatic. What is your first move?

TURN IT ROUND · A STRONG MOVE

No reaction in the chat at all, then message your friend privately to check they are okay.

ONLINE 43

A player in a game says: hi, I am your age, what school do you go to? What would you do?

TURN IT ROUND · A STRONG MOVE

Someone who says they are your age is still someone you do not know. Do not answer, and show your grown up.

ONLINE 44

The helper in a game asks you not to tell your parents about your chats. What would you do?

TURN IT ROUND · A STRONG MOVE

Tell a trusted grown up, even if you said you would not.

ONLINE 45

Someone online asks for a photo of you and says it can be your secret. What would you do?

TURN IT ROUND · A STRONG MOVE

Do not send it. Tell a grown up you trust. A secret with someone online is a warning sign, and telling is never trouble.

ONLINE 46

A new account is really friendly and keeps saying nice things, and within an hour it wants to swap pictures. What stands out?

TURN IT ROUND · A STRONG MOVE

The speed. Real friendship is slower. Scripts are fast.

ONLINE 47

A fun quiz in a game asks for your full name and your school to show your results. What would you do?

TURN IT ROUND · A STRONG MOVE

Skip those boxes, close it, and tell your grown up.

ONLINE 48

A pop up says: FREE ROBUX! Only 30 seconds left! Enter your password to claim. How many tricks can you spot?

TURN IT ROUND · A STRONG MOVE

Three: it is rushing you, it is promising you, and it is asking for something private.

ONLINE 49

It is nearly time to stop and the game flashes: ONE MORE MATCH FOR DOUBLE COINS. What is really going on?

TURN IT ROUND · A STRONG MOVE

The game spotted a stopping point and is paying you to skip it.

ONLINE 50

A skin you really want has a timer on it: 09:59 left. You have birthday money saved. What would you do?

TURN IT ROUND · A STRONG MOVE

It is rushing you, so pause and ask first. If it is worth it now, it is still worth it after asking.

ONLINE 51

You sent a silly photo to a group chat and deleted it two minutes later. Is it gone?

TURN IT ROUND · A STRONG MOVE

Maybe not. Delete cannot reach a screenshot or a forward on someone else's phone.

ONLINE 52

A game asks you to set a backup question: what is your pet's name? What do you know that most people do not?

TURN IT ROUND · A STRONG MOVE

Pet names are keys. If you have ever shared yours, pick a different question.

ONLINE 53

A friend shows you nasty messages they get every night, then says: promise you will not tell. What would you do?

TURN IT ROUND · A STRONG MOVE

Help them save the evidence and tell a trusted grown up, even though the promise feels hard.

ONLINE 54

Someone says telling a teacher about bullying is snitching. Is it?

TURN IT ROUND · A STRONG MOVE

Snitching tries to get someone into trouble. Telling gets someone out of it.

ONLINE 55

Your feed has become wall to wall football videos. Why?

TURN IT ROUND · A STRONG MOVE

It learned from what you watched, paused on and watched again, then served you more.

ONLINE 56

An app says you have to be 13 to join. What is the 13 really about?

TURN IT ROUND · A STRONG MOVE

Whether the company is allowed to collect and use your information.

ONLINE 57

It is 8pm, bed is at half past, and you really want one more episode. What is the strong move?

TURN IT ROUND · A STRONG MOVE

Screen to the charging spot, and a book or a chat instead.

ONLINE 58

The timer goes, but you are halfway through a level. What would you do?

TURN IT ROUND · A STRONG MOVE

Finish at the save point you agreed, then stop.

ONLINE 59

You want to stop after one episode tonight. Which plan works with your brain, not against it?

TURN IT ROUND · A STRONG MOVE

Turn autoplay off before you start, so stopping is what happens anyway.

ONLINE 60

What does a follower count actually measure?

TURN IT ROUND · A STRONG MOVE

How many accounts tapped follow. That is reach, not friendship.

ONLINE 61

Every feed is built to get more of one thing from you. What is it?

TURN IT ROUND · A STRONG MOVE

Your watch time.

ONLINE 62

A friend sends you a video on making an account with a grown up's birthday. What is the real risk?

TURN IT ROUND · A STRONG MOVE

Not getting caught. It is that the settings made for your age switch off: filters, contact limits and help tools.

ONLINE 63

A message from a friend's account says: this app doubled my money in a day, try it. What do you think?

TURN IT ROUND · A STRONG MOVE

The account may have been stolen. The warning signs count, whoever sends the message.

ONLINE 64

Why does an argument online get bigger faster than the same thing said out loud?

TURN IT ROUND · A STRONG MOVE

Three brakes are missing: no face, an audience, and a record.

ONLINE 65

A creator you love posts a glowing review with a discount code and no ad label. What do you now know?

TURN IT ROUND · A STRONG MOVE

They probably earn from every sale, so it is an advert borrowing your trust. Weigh it like one.

ONLINE 66

A game sends you: your streak ends in 2 hours! Come back! What kind of message is that?

TURN IT ROUND · A STRONG MOVE

One that can be switched off. It is the app calling you back for its own benefit.

ONLINE 67

A phone keeps buzzing beside someone's bed at night. What is the single best move?

TURN IT ROUND · A STRONG MOVE

Charge it in another room overnight.

ONLINE 68

Someone in a game offers free coins for your password. What would you do?

TURN IT ROUND · A STRONG MOVE

Keep it private and tell a grown up.

ONLINE 69

A talking speaker asks where you live. What would you do?

TURN IT ROUND · A STRONG MOVE

Keep it private and ask a grown up.

ONLINE 70

A video looks real but seems too strange to be true. What would you do before you share it?

TURN IT ROUND · A STRONG MOVE

Stop, look again, and ask a grown up whether it is real.

ONLINE 71

You tapped buy by mistake. What now?

TURN IT ROUND · A STRONG MOVE

Tell a grown up straight away. Hiding it never helps.

ONLINE 72

A chat with an AI has started to matter more than it should. What is the move?

TURN IT ROUND · A STRONG MOVE

Tell someone you trust. Telling is never trouble.

ONLINE 73

Something upsetting happened online. Why is screenshot and tell better than delete and hope?

TURN IT ROUND · A STRONG MOVE

Evidence lets a grown up actually help, and telling means nobody handles it alone.

ONLINE 74

Your grown up says stop in the middle of a video. What then?

TURN IT ROUND · A STRONG MOVE

Stop. A grown up's stop counts too, and the video will still be there.

WHAT WOULD DIGI SAY? 75

"Can I have a phone? Everyone has one."

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Let's look at where you are on the road. Can you leave a tablet in another room and not mind? That is the next step to practise, and we pick a date to look again together.

WHAT WOULD DIGI SAY? 76

"Can I go on a game where you chat with people?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Let's look at the game together first. Who can message you, and can that be friends only? Start there, and show me the first chat.

WHAT WOULD DIGI SAY? 77

"Five more minutes? Please?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Let's find the next save point. Finish there, then it goes to the charging spot, and tomorrow starts where you left off.

WHAT WOULD DIGI SAY? 78

"Why do you get your phone at the table and I don't?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Fair question. The rule is for the house, not just for you. Both phones in the basket at tea, starting tonight.

WHAT WOULD DIGI SAY? 79

"My friend has watched it. Can I?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Let's check what it is rated and watch the first bit together. Then we decide what comes next.

WHAT WOULD DIGI SAY? 80

"Someone was mean to me online. If I tell you, will you take my tablet?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Telling never costs you the tablet. Show me, we save it, and we work out the next step together.

WHAT WOULD DIGI SAY? 81

"Can I make an account? It says 13 and I am 11."

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

The 13 is about the company using your information. Let's find what you want from it, and look for a version built for your age.

WHAT WOULD DIGI SAY? 82

"Can I buy this skin with my birthday money?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Ask first, then pause. If it is worth it now, it will still be worth it tomorrow. Let's look again after tea.

WHAT WOULD DIGI SAY? 83

"I want more screen time."

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Here is how it works. My time is yours every day, and extra comes from jobs. Pick a job off the board and the stars do the rest.

WHAT WOULD DIGI SAY? 84

"Can I keep my phone in my room tonight? Just once."

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Phones sleep at the charging spot, grown ups' phones too. What do you need it for at night? If it is the alarm, let's find a real alarm clock.

WHAT WOULD DIGI SAY? 85

"My friend sent me a video that scared me."

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Thank you for telling me. Let's turn it off and sit together for a bit. Then we can decide whether to tell your friend's grown up.

WHAT WOULD DIGI SAY? 86

"Why can't I watch in the hour before bed?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Screens rest an hour before bed, every night, for everyone in the house. It will still be there tomorrow. What would you like to do instead tonight?

WHAT WOULD DIGI SAY? 87

"Can I be in the class group chat?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Let's agree how it works first: when it sleeps, what you do if it turns unkind, and that you can show me anything. Then try it for a week and we talk.

WHAT WOULD DIGI SAY? 88

"Can I post this video of me dancing?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Let's check who can see it, and whether you would be happy for it to still be there in a year. If you would, start with friends only.

WHAT WOULD DIGI SAY? 89

"Can I play the game my brother plays? It is rated 16."

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Let's look at why it is rated 16, together. Then let's find one built for your age with the bit you like most.

WHAT WOULD DIGI SAY? 90

"Why do you get to look at my phone?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

We look at it together, not at you. As you show you can handle more, the checks get fewer. That is the plan.

WHAT WOULD DIGI SAY? 91

"I have been on it ages and now I feel rubbish."

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

That happens to everyone, grown ups too. Put it down, get a drink, and next time set a timer before you start.

WHAT WOULD DIGI SAY? 92

"Can I tell the AI helper about my problems?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

You can always talk to a grown up you trust. An app can help with facts, and people help with feelings. Who could you talk to today?

WHAT WOULD DIGI SAY? 93

"What if I see something I am not meant to?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Close it, come and find a grown up, and you are not in trouble. That is the plan, every time.

WHAT WOULD DIGI SAY? 94

"Can I stay up gaming with my friends online?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Screens rest an hour before bed. Let's find a time this weekend when you can all play, and put it on the calendar.

WHAT WOULD DIGI SAY? 95

"Can I get the game everyone is talking about?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

Let's find out what it is: who is on it, what it costs, and how you would stop. Look it up with me, then we decide the next step.

WHAT WOULD DIGI SAY? 96

"Why is my feed full of the same stuff?"

WHAT WOULD DIGI SAY?

TURN IT ROUND · DIGI SAYS

It learned from what you watch. Want to teach it something new? Let's search for a hobby you love.

WHAT WOULD DIGI SAY? 97

"Can I turn my location off?"

WHAT WOULD DIGI SAY?

Let's talk about why it is on and who can see it. We agree it out loud, and we look at it again as you get older.

TURN IT ROUND · DIGI SAYS

WHAT WOULD DIGI SAY? 98

"My friend's mum lets her. Why don't you?"

WHAT WOULD DIGI SAY?

Every family is on its own road. Here is where we are, and here is the next step that gets you closer. Let's put a date on it.

TURN IT ROUND · DIGI SAYS

WHAT WOULD DIGI SAY? 99

"I keep getting stuck on this app. Should I delete it?"

WHAT WOULD DIGI SAY?

That is a strong question to ask. Let's choose together: delete it for a week, or set a limit. You pick, and we see how it goes.

TURN IT ROUND · DIGI SAYS

WHAT WOULD DIGI SAY? 100

"Can I message someone I met in a game?"

WHAT WOULD DIGI SAY?

Someone you have not met is still someone you do not know. Keep it in the game chat for now, and show me the messages.
